Central Executive Committee (CEC)

25 – 27 January 2019

USER TESTING OF OUSTUDENTS.COM

The CEC is asked to:-

- i) **receive** an update.

1. Background

- 1.1 Usability and accessibility testing in 2019 resulted in a number of recommendations (see appendix). This work was facilitated by the Digital Communications Technical Officer. At the time of writing we are currently recruiting for a replacement officer to take this work forward in liaison with the developers for oustudents.com (Gravit-e). This update was previously shared on the forums, but our Vice President Media and Campaigns is keen that it is published on oustudents.com in the form of a paper.
