

One Team Guiding Principles.

Understanding that we need to work as one team to achieve success, we will strive to follow these principles.

- Treat each other with courtesy and respect.
- Value and encourage each other's contributions, celebrate each other's successes and support each other through difficulties.
- Be tolerant of our differences and respectful of each other's rights.
- Promote a supportive environment that feels safe, accessible, welcoming and approachable.
- Be impartial, empathetic, kind, helpful, and sincere in our dealings with each other.
- Be positive, resourceful, creative, pro-active, and solution-oriented when faced with challenges.
- Proceed with honesty and integrity and seek to be professional in everything we do.
- Be open minded, welcoming of new ideas and ways of working.
- Be accepting and tolerant about mistakes or omissions understanding that to err is human.
- Take time to build and nurture personal connections.
- Practise positive intent, seeking to identify the best in each other, working with a generosity of spirit.
- Practise active listening.
- Communicate regularly and in the most positive way.
- Aim to make informed, evidenced based decisions that reflect good judgment.
- Aim to identify and address any issues and problems that arise and give them fair hearing so that we can manage healthy conflict.
- Conduct ourselves in ways that reflect positively on each other and which further the work of the Association in the interests of the wider student membership.
