REPORT OF THE AFFILIATED SOCIETIES

The C E C is asked to:-

- i) **note** the information provided in this report and appendix

The purpose of this paper is to give an overview of the members and the financial position of each Affiliated Society.

The appendix provides information on the state of OU Students Association's Affiliated Societies, showing the number of societies affiliated, the position of their members and financial information regarding their accounts and grant payments.

The data included on this report is taken from information held on the OU Students Association Office database and financial information provided by the Resources team within the Association office.

In the event of any inaccuracies, omissions or errors being noted, you are asked to advise the OU Students Association Office of these as soon as possible following the CEC Meeting.

We are pleased to report that the Association's Society Guidelines are currently being reviewed and will be presented for approval by the time of the next Society Committee AGM. As appendices to this document a new template Privacy Policy and Data Protection Guidelines have been devised with Stone King and will be presented to Societies prior to the next Committee meeting on 11 May.

Unfortunately the Midlands Region Arts Club has now folded, their remaining funds were donated to OUSET as per their constitution. On the positive side we are working hard to affiliate three new societies, London Region Arts Club, OU Muslim Society and the Commercial Awareness Society.

We now have a total of 37 Clubs with a combined membership of 4367 students.
